

NOTICE TO MR. RON MILLEVO

14th March 2010

In challenge to Ron Millevo, a personal copy of this notice was also sent to him.

Mr. Millevo, I am sure that you have received our last challenge and exposition dated 10th March 2010.

E.O.D.H. is calling on Mr. Millevo. Where are you? Come out of your hiding place. Don't be a coward. Who has more carcass feed more eagles.

I am sure the brat has forsaken you. Maybe you want to call on the magnificent heretics for help. Let us hear from you. **Pick up our challenge** if you are a man, or continue to wear the brat's petticoat.

How can you face your congregation in the light of your exposition and our challenges, which you cannot answer to? Humble your heart, let us enter the outpouring of the Spirit together and be quickened for the rapture (Ref. C/Ages pages 377-380). Amen!

Have you abandoned your website to hide your shame? We are trying to access it. What's the matter? I know that you were instructed not to respond, by your chief adviser. But did she command you to abandon or reconstruct your website?

Oh, there you are. I see you are still hiding behind the dress tail of an unregenerated lying witness, and now calling on her husband and other unbelieving spirits for help and to come to your assistance.

MRR. MILLEVO CRIES FOR HELP – GRABS ON TO A STRAW

When Brother Branham exposed evil spirits, by discernment, they used to call out for help from other spirits. Your exposition showed what kind of spirit you have in you, you big yellow-belly coward, too afraid and not man enough to stand up and fight your own battles like all true soldiers of the cross. These spirits you have summoned for help are of the same nature like yourself: full of unbelief, interpretations and heresies, carnal to the core, and cannot adhere to the full Word and pure message of Malachi 4: 5-6. You are too sissified to come out and face my challenge like a man. **It shows what a big coward you are.**

We are challenging you, your lies and your heresies. You are trying to **dodge the issue** by gathering backslidden hypocrites. Where did this backslidden hypocrite arise from after many years of living in Sodom, dominated by a crowing hen? A man who is a deaf mute. You poor deluded hypocrite have another lying witness. You are trying to save your face because you cannot pick up our challenge. **It is impossible.** Come back to the subject. Answer for yourself. You are wearing the brat's petticoat and hiding behind her dress tail and her husband's nightie.

That fellow heard as a carnal man, put his own interpretation, and was pumped up by a defeated heretic to present his carnal interpretation to a drowning man who caught on to that backslider's straw. Mr. Millevo is drowning in shame and is calling for others to help. He summons make-believers to come on his website to try to expose Dalton Bruce and E.O.D.H. You have embarked upon an impossible task. If Dalton Bruce and E.O.D.H. be of the seed of the Jews, before whom thou hast begun to fall, thou shalt not prevail against him, but shalt surely fall before him. You will be hanged on your own gallows.

You are defeated. You are picking up people from the backsliders scrap heap to save your face. **Shame on you!** We know where that is coming from: a defeated heretic and petticoat preacher like yourself, too afraid to show himself in public. Pick up our challenge, if you are a man.

And who is this Congolese? Did you hire him? He sounds unregenerated. He is a big coward like you, saying to back off from the challenge. He sounds like the brat herself, saying, in so many words, “not to respond; Dalton Bruce is a quarrelsome fellow.” Then Jesus and Peter were quarrelsome, according to his doctrine (*Matthew Chapter 23, II Peter Chapter 2*), Jude, Stephen: *Acts 7:51 <Ye stiffnecked and uncircumcised in heart and ears, ye do always resist the Holy Ghost: as your fathers did, so do ye.>*

You big coward from the Congo. Give me your name and address. Come out into public, refute my teachings. Don't go into hiding with Mr. Millevo.

This man of the Congo is empty like your magnificent heretics, which you referred to as “Respectable and notable message ministers.” Numbering you with them makes it **seven magnificent heretics**. Pick up our challenge, if you are a man. Come back to the subject. And if you cannot, then repent!
